

Sanderson

DISCOVER SANDERSON ARBORETUM, NEW FOR SS23.

An enchanting collection inspired by England's ancient woodlands, Sanderson Arboretum is an evocative interpretation of majestic trees, secluded glades and indigenous wildlife.

Comprising 23 fabrics and 17 wallpapers across six colour stories, new and bestselling designs capture the countryside's restorative powers.

Launching alongside Arboretum is Pinetum, a book of six smaller scale fabrics that can be used in combination with statement pieces to create a harmonious look.

BCI cotton is used throughout, with most fabrics printed using our low water and low energy consumption inks. Additionally, all materials are responsibly sourced and ethically produced.
